- 
- 1) Chromatic Sense Checking: Applicants who have color blindness or color weakness cannot be admitted to the program of Bachelor of Traditional Chinese Medicine, Bachelor of Pharmacy in Chinese Medicine, Bachelor of Arts in Art Design, Bachelor of Fine Arts in Digital Media, Bachelor in Film and Television Production, Bachelor in Acting, Bachelor of Medicine and Bachelor of Surgery Bachelor of Food and Nutritional Sciences and Bachelor of Pharmacy. Applicants who are color blind cannot be admitted to the program of Bachelor of Science and Bachelor of Science in Artificial Intelligence.
  - 2) Science Requirement <sup>remark 1 & remark 2:</sup>
    - Applicants of Bachelor of Pharmacy in Chinese Medicine, Bachelor of Medicine and Bachelor of Surgery or Bachelor of Pharmacy and Bachelor of Food and Nutritional Sciences must be from the science stream and must have senior high school Chemistry grades or equivalent (Applicants of Bachelor of Medicine & Bachelor of Surgery who have knowledge in Chemistry and biology are preferable).
    - Applicants of Bachelor of Science in Artificial Intelligence or Bachelor of Engineering in Interdisciplinary Engineering (Technology and Management) must be from the science stream and must have senior high school Physics/Chemistry/Biology grades or equivalent.
    - Therefore, applicants who apply for the above programs are required to submit the high school transcripts according to the "Required Documents for Application" of the Admission Regulation. Late submission will not be accepted and the University will only consider applicants' other choices.
    - Applicants of Bachelor of Science in Automation and Systems Engineering and Bachelor of Environmental Science and Engineering who have senior high school Physics/Chemistry/Biology grades or equivalent are preferable. Applicants could submit the high school transcripts correspondingly.
  - 3) Course Syllabus and Study plan: Bachelor of Medicine and Bachelor of Surgery adopts the academic year system; other programs adopt credit-based system. The above programs are full-time. Details about the course syllabus and study plan can be checked from the [MUST Website](#).
  - 4) When selecting the choices of programs, applicants must fill in four choices of programs (including faculty, program, and major). Applicants of Bachelor of Arts in Foreign Language Studies, Bachelor of Science are required to select the major during the application:
    - Applicants of Bachelor of Arts in Foreign Language Studies need to select the major during the application, and it will be considered as a reference for admission. Students admitted to this program is accepted with designated major, and they must register in the program and major that are specified on the acceptance letter.
    - Applicants of Bachelor of Science will need to select the intended major during the application,

and it will be considered as a reference for allocation by the Faculty when they register.

- Allocation of major for other programs will be made after the students have registered. The Faculty will make final decision for allocation based on students' academic performances in common courses (which means the applicants are not required to select major during the application period).
- 5) During the application, Bachelor of Medicine and Bachelor of Surgery could only be placed as the first choice of program; Bachelor of Arts in Art Design and Bachelor in Acting could only be placed as the first or second choice of program.
- 6) Programs available:
- Macao, Hong Kong, Taiwan, Mainland China and Malaysian Applicants: All programs.
  - Other International Applicants: Bachelor of Science, Bachelor of Science in Artificial Intelligence, Bachelor of Science in Automation and Systems Engineering, Bachelor of Engineering in Interdisciplinary Engineering (Technology and Management), Bachelor of Environmental Science and Engineering, Bachelor of Medicine and Bachelor of Surgery, Bachelor of Business Administration, Bachelor of Applied Economics, Bachelor of International Tourism Management, Bachelor of Hotel Management, Bachelor of Leisure Management, Bachelor of Commerce, Bachelor of Arts in Foreign Language Studies – English and Bachelor of Arts in Journalism and Communication. Applicants could make a request to the University to apply for other bachelor degree programs with proof of Chinese education in senior high school or Chinese proficiency in public examinations.
  - The available programs are subject to change as announced by the University.

Remark 1: The above-mentioned provision of transcripts containing relevant subjects to the University is based on the documents uploaded by the applicant to the "Upload Documents" page of the Online Application System (OAS), while recommended Students from high schools of Macao are based on the transcripts provided by the recommended schools to the University when applying for admission.

Remark 2: Regarding the transcripts of Physics/Chemistry/Biology subjects, applicants from Macao, Hong Kong, Taiwan and other countries should provide the transcripts of the final three years (year one to year three) in secondary education (or transcripts of related subjects at the same level); Mainland applicants should provide the college entrance examination transcripts and ordinary High school academic proficiency test-related subject transcripts.
