

Professor Yibing Ma

Macau University of Science and Technology
Faculty of Innovation Engineering
Department of Environmental Science and Engineering
/Macao Environmental Research Institute

PhD. Supervisor

Tel. : +853-8897 2926

E-mail : ybma@must.edu.mo

Academic Qualification:

Ph.D. in

MSc in

BSc in

Teaching Area

Environmental Chemistry

Frontiers of Environmental Science

Introduction to Environmental Science

Soil Contamination and Remediation

Research Area

Fate and behaviour of nutrients and contaminants in environments

Ecological risk assessment and management

Soil contamination and remediation

Environmental quality criteria for contaminants

Working Experience

Research Grants

(i)

(ii)

(iii)

(iv)

(v)

Representative publications (Complete publication refer to my webpage)
