

CREDIBLE DATA ANALYSIS: CHARACTERISTICS

Professor James Arvid Ohlson

26/2/2024

12:40 to 13:30

O702

Professor Ohlson, a distinguished scholar, has served at Stanford, Columbia, Arizona State University, and NYU's Stern School of Business. He's a member of The Accounting Hall of Fame and has published over 100 papers in top-tier journals. His work, cited over 35,393 times, provides key insights into the roles of accounting earnings in economic enterprises. His seminal paper on equity valuation is a must-read for accounting students and has received significant recognition.
