## Notice: Special Teaching Arrangements from March 1

According to the latest information of Front the Education and Youth Development Bureau of the Macao SAR Government, due to the changes in the pandemic situation of Tanzhou, Zhongshan, students who have been to Tanzhou in the past 14 days (February 14 to 28, 2022) will be suspended for returning to campus for classes from Macai 15, 2022, the University has decided to conduct online and offline classes simultaneously from March 1 for the sake of students' safety as well as to reduce the impact on their studies. Students should pay attention to the class timetables and attend classes on time either online or in the classroom as shows.
