

WeMust Personal Data Amendment Guidelines

During the study period, students can modify some of the data via WeMust such as the Contact address (including Postal Code and Area), Mobile number, and E-mail Address. For students who need to modify personal information other than the above, please submit a duly completed form of [Application for Student Personal Data Amendment\(For Current Students\)](#), together with all necessary supporting documents, to School of Graduate Studies. Changes will be made 1 week after the submission of application. Students may logon to the WeMust for confirmation.

1. Login to WeMust > Me > Click the top icon

2. Modify respective data such as Contact address (including Postal Code and Area), Mobile number, and E-mail Address.
