J. Lai

I obtained my B. Sc. Degree and Master Degree in Physics from Nanjing University, and the PhD degree from Department of Electrical and Computer Engineering at University of Pittsburgh, U.S. After graduation, I joined the research lab of AMD corp., Beijing as a senior researcher and worked on the field of computer architecture.

Since 2013, I have been working at the Space Science Institute/State Key Laboratory of Lunar and Planetary Science in Macao University of Science and
